

Dotted notes

How many beats for a note with a dot?
Add it all up, and what have you got?

	=		+		(6 beats)
	=		+		(3 beats)
	=		+		(1½ beats)
	=		+		(¾ beat)

1. Fill in the missing notes or numbers.

	=		+		A lasts for beats.
	=		+		A lasts for beat.
	=		+		A lasts for beats.
	=		+		A lasts for beats.

The dot is worth half of the note.

2. How many beats in each note?
